Logo Versions Available for Download

The following pages will show the logo version that are available and some examples and instructions for use.

Where to find the logo

You can find the logo versions shown on the following page at anytime online at <http://brand.beverlycityschool.org>

File Types

The following file types are available there: JPEG, PNG, TIFF, EPS, PDF.

Note on logo usage

The logo should always be used in its entirety as presented in the original file download. This should include all parts shown, ie. the bear, BEVERLY, CITY SCHOOL DISTRICT, and the tagline (ENTER A LEARNER... EXIT A LEADER.) when using the tagline version.

These should be used as presented and never separated.

Logo Usage Examples

Minimum Clearance Margin

Always be sure to leave a minimum margin of clearance around the logo. The method to use is the minimum size of the T in "DISTRICT" should be used as a guide as shown in the example below. The minimum margin should increase proportionately as the logo is scaled up, and decrease as the logo scaled down. Spacing should be applied as shown here:

Minimum Size

The logo should never be smaller than **41 mm** wide without the tagline and **106 mm** with the tagline.

Maximum Usage

The logo may not appear more than once on any surface. It may appear more than once on any application if only one side or surface is visible at a time.

Acceptable Usage Examples

The logo seen here in 4 color without background is on the same color as the logo yellow

The 4 color logo seen here is place on a color that allows you to clearly see the logo colors

The 4 color logo seen here is place on a color gradient that allows you to clearly see the logo colors

Use the logo with white background when placing on busy backgrounds

When using 1 color printing, make sure the logo is clearly legible as shown here

Unacceptable Usage Examples

Background color is too similar to logo blue, Logo does not have enough margin

When color is possible use 4 color logo instead of 1 color

Logo is not showing all components (CITY SCHOOL DISTRICT is missing)

Background image is too busy to see the logo clearly

When 4 color is available use lively colors or images for the background so the logo pops off in a happy way

Opening the PowerPoint for the first time

When you open the PowerPoint for the first time you will see the Title Slide design as only visible slide type. You may start here and modify the slide as needed.

Applying or adding other branded slide layouts

If you right-click the small preview of the slide to the left of the screen and scroll down to “New Slide” you can then add new slides as needed. To apply a different branded layout other than the title slide; right-click the slide you want to modify and scroll to “Layout” and choose which Master slide design you would like and click it in the right-most open panel.
