

# PTA MINUTES

February 15, 2017

The meeting was called to order at 6pm by Secretary Kellyanne Milliner. Julia Brines reported that there was very little activity to report for the Treasurer's Report for the months of December and January. The current balance is 2098.79. Since we currently do not have a gaming license, that account remains the same.

Ms. Milliner reported that the Glow party was a success and thanked the Student Council for making the signs and the teachers and PTA members for chaperoning. Eric Pawlicki once again donated his DJ services for the dance.

Ms. Milliner thanked the 4th grade teachers for assisting in making the ice cream social a success.

Donations are still being accepted for the Giving Tree which will remain up until March 10th. Ms. Giacobbe reported that tights, socks, and underwear are also in need. A flyer will be sent out requesting more donations.

Under new business it was reported that the membership drive continues. Membership flyers go home weekly.

There will be a Riccardo's Night fundraiser on March 24 and Holiday Ice Cream will also host a fundraiser at the end of April.

The Family Dinner Dance will be in the Spring as well as the Mother's Day Flower sale. The PTA will sell T-shirts for Field day this year and prior to the school year ending there will be a Chic Fil A fundraiser.
