# Project Child Find

## **Beverly City Residents/Families**

Any parent who has concerns about the development of:

- ❖ **A preschool child attaining age 3 within the coming school year**
- ❖ **A child between the ages of 3 and 5**
- ❖ **A child between the ages of 6 and 21**

should contact the Beverly City School's Child Study Team.

The child may be experiencing physical, sensory, emotional, communication, cognitive, or social difficulties.

Please contact the Department of Special Services at 609.387.7269 with your concerns.

## ***Project CHILD FIND***

**Project CHILD FIND** is a free referral service and public awareness campaign to assist in the identification of unserved/underserved youth with a delay or disability from birth through twenty-one years of age.

In addition, **Project CHILD FIND** develops and distributes information to the public about early intervention services and special education programs throughout out New Jersey.

**Project CHILD FIND's** comprehensive efforts include:

1. Assisting families of infants and toddlers, **birth through two**, concerned about their child's development by directing all requests regarding **early intervention** to the family's local Special Child Health Case Management Unit. If you need the number for your Special Child Health Case Management Unit call:

**Project CHILD FIND**

**1-800-322-8174**

2. Assisting families of preschoolers, **three through five**, concerned about their child's development by directing requests to Beverly City School District.
3. Helping families access community services through referral.
4. Promoting community and public awareness of all children with disabilities by providing information.
5. Assisting Beverly City School District Board of Education to identify unserved children from age **three through twenty-one** who are in need of special education and related services.

If your child is experiencing physical, sensory, emotional, communication, cognitive or social difficulties:

**PLEASE CONTACT**

The Beverly City Child Study Team Office with your concerns at  
(609) 387-7269
